There is one God who made everything seen and unseen. He made man in his image. He made him good but man sinned. God would be just if he punished man forever for his sin but in His infinite mercy God made a way to save man. He sent Jesus, the eternal Son of God, fully God and fully man to live a life we should have lived. Jesus suffered and died a death we deserved but by the power of the Spirit, He was raised from the dead. He ascended to heaven and for those who will believe in Him, He will give them the new birth and give them the Spirit to live in them. One day Christ will return, judge all men's deeds, and dwell forever with all those who believed.
